MEMORANDUM FOR: Director of Central Intelligence

FROM: Director, Intelligence Community Staff

SUBJECT: Your NATO EUCOM Visit

REFERENCE: Your Memo, same subject, dated 24 Nov 1982

1. After your and John's meetings with Linc Faurer and Jim Williams I am planning to follow up with them and the Service Intelligence Chiefs to discuss feasible options for improving our intelligence support to NATO and National Forces in Europe. I'll use as a guideline many of the problem areas you uncovered on your recent trip and then follow it up with a visit to the EUCOM Community myself in late January. The result of these efforts will be used to prepare a special addendum to the '85 Program Guidance. Many of the issues will involve hard trade-offs and the impacts should be addressed by the Program Managers and Service Intelligence Chiefs in the FY 1985 POM submission.

2. I feel [] has captured the key points in his SECDEF draft for you and I've passed a few thoughts on to him. I believe this, in effect, has developed your notes into the rounded picture you requested in the reference.

3. I will keep you informed of my progress.
